Sub: Product Upgrades

Dear Valued Direct Sellers / Distributor Leaders

Greetings from Enagic India

Hope you are doing well & safe!!

This is to inform you all that Enagic has withdrawn its product upgrade policy, where the customer had option to upgrade the machine within 60 days from the date of invoice.

Please be informed that any product upgrades on any machine purchases “**will not be applicable**”, as this policy has been implemented across PAN India.

We are consistently making efforts towards making the process easier and deliver excellency for requests placed with us.

We are also looking forwards for all the support from you towards the new initiative taken for the betterment of business.

Thanking You

For Enagic India Kangen Water Private Limited
