

Circular EIKB- CIR-0221017

Date- 27/10/2022.

Dear Valued Independent Distributors.

ZERO TOLERANCE FOR USING ANY OTHER WEBSYSTEM/WEBSITE.

As an Enagic Independent Distributor you represent Enagic brand in all respects mainly your business conduct, ethics, your actions can have positive or negative affect on the company's reputation name and the product. This is why it is very important that you and all Distributors understand and follow the Policy and Procedure without exception and adhere to its rules and regulations.

All Distributors regardless of rank or status must abide by all of the Policy and Procedures. Upline Distributors must ensure that their down liners are oriented, trained to follow the Policy and Procedure in all activities related to the Distributorship.

The Company's Vision and Mission commitment to long-term growth, profitability, philosophy, core values, superior skill, superior resources and superior position in this industry has been our priority. The vision of the company's Compensatory business plan is designed such that it gives equal opportunity to each and every. As an Enagic Independent Distributor you represent the Enagic brand in all respects mainly your business conduct and ethics, your actions can have a positive or negative effect on the company's reputable name and the product. Therefore. It is very important that you and all Distributors understand and follow the Policy and Procedures without exception and adhere to its rules and regulations.

EWS(Enagic Web System) facility provided by Enagic. EWS is the only approved official marketing web system to be utilised for your marketing on the web system. You should refrain from using any other web system or website. This is as per our Policy and Procedure guidelines which are applicable to one and all distributors. Any distributors found flouting the procedures by using unauthorised web, as per the Company's rules, Disciplinary action will be taken by suspension to the extent of being terminated as Distributor.

Though we realise the need for digital and online marketing as an essential tool. You should be complacent with its use. Not to harm your co-distributors in any manner. You may go to the link <http://www.enagicwebsystem.com/>. Looking forward to your continued co-operation
